Obi Wedu, also known as "**The First Jungle Lion**" was a Lion School witcher, known for being the first successful case of passing the trials after the establishment of the school. Which was active until around the time of the Malindi Massacre, disappearing shortly after the event.

Allegedly the son of one of the rogue [Paladins of the Zang](#), who joined the the Cat Witchers trying to redeem themselves. He became one of the key members, who would shape what the school would evolve into. He was in charge of teaching hybrid combat techniques to the students and occasionally act as a substitute teacher on monsters when Yafet Paulos was not available.
